

Down on the Farm

July 23 & 24, 2021

McBride, MI

Featuring

- Minneapolis Moline Tractors
- Case Garden Tractors
- Michigan Made Hit & Miss Engines

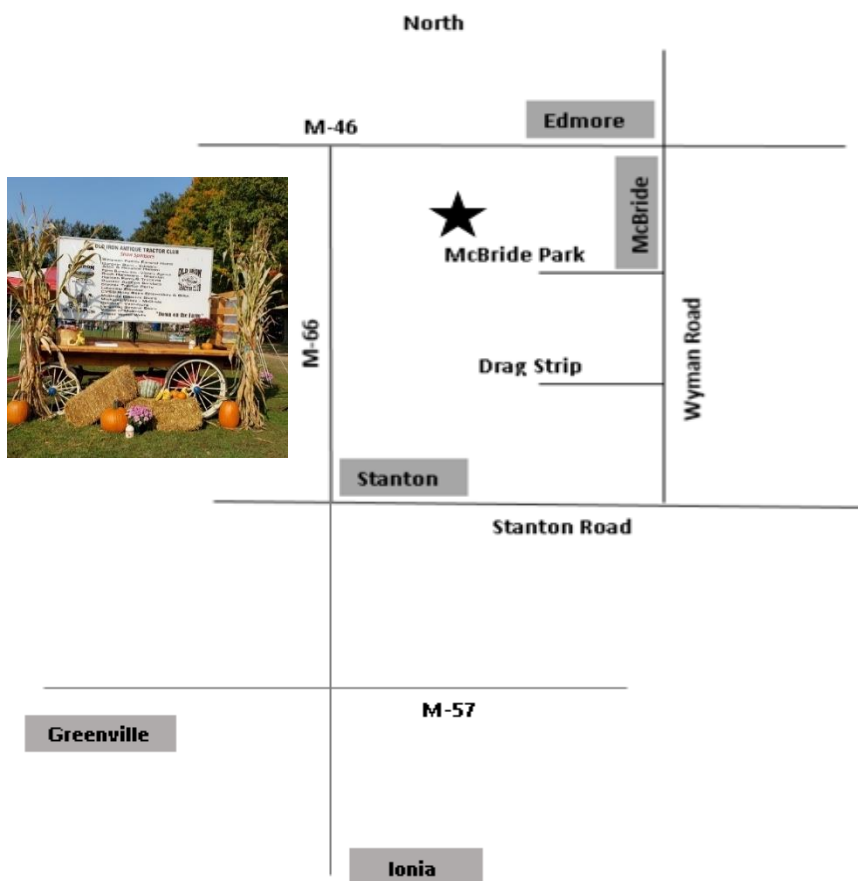

Welcome to the 6th Annual Old Iron Antique Tractor Show

July 23rd & 24th 2021

McBride Park- McBride, MI

Located on Wyman Rd just north of the Drag Strip

President's Welcome

The Old Iron Antique Tractor Club would like to welcome you to our 2021 Event and Show booklet. Sit down, take a few minutes, and browse through it. Like any organization, you must get the word out to the public: where you are going to be and what you are going to be doing. Hopefully, by the club publishing this booklet and telling the public a little about what we do, we have accomplished our mission.

A little history of our club. On April 22, 2015 a few tractor owners held a meeting to see if there was enough interest in starting a club. There were nine people at that evening meeting, and today we have over 175 active members and family members. The Old Iron Antique Tractor Club is a family-oriented club. We enjoy good family potlucks along with a campfire to sit around at night. Some of our community events include parades, pedal tractor pulls, tractor drives, weekend camp outs, and crossing the Mighty Mac.

So come on out for the day, or enjoy all weekend, be our guest, and enjoy our hospitality, amazing displays, great food, tractor games, and demonstrations of farming heritage. You'll have a great time!

Speaking on behalf of the members and officers, I would like to take this opportunity to gratefully acknowledge the continued support of the communities, businesses, and individual advertisers that enable us to publish the Event and Show booklet each year. We hope our readers enjoy the content, utilize the information, and patronize our advertisers throughout the year. As always, we appreciate all the guests, exhibitors, and members who come out and help us revisit those "Days of Old **Down On The Farm**".

Mary Baker, President
(989) 506-0705

DOWN ON THE FARM

Friday Activities – July 23

9am-4pm	Farm & Flea Market
9am-5pm	Hit & Miss Display

Featured Tractor- Minneapolis Moline

The Minneapolis Moline Power Implement Company was established in 1929. It was formed by the union of three agricultural companies: the Moline Plow Company, established in 1852; Minneapolis Threshing Company, established in 1887; Minneapolis Steel and Threshing Company, established in 1902. In 1910, they started to produce a heavy weight line of road builders known as the Twin City Tractors. They would include several Twin City tractors into their own models and continue designing innovative new models for the next 30 years. In 1951, MM acquired the Avery farm equipment line. MM was purchased by White Motor Company in 1972, and the last use of the MM badge was used in 1974. The White Motor company was ultimately purchased in 1991 and continues today under AGCO.

Interview with Roger Hinton

Our featured Minneapolis Moline tractor pictures are of tractors owned by Mr. Roger Hinton. Roger was raised as a boy on a farm in Vestaburg. His family moved to McBride in 1972. He retired after 35 years as a telephone lineman. It was during this time that his collection started, with the purchase of his first Minneapolis Moline for \$50. Roger's collection now numbers 15! Roger and his wife, Deborah, now enjoy going to tractor swap meets, participating in tractor shows, rides, and parades. They have ridden on a tractor across the Mackinac Bridge five times and are looking forward to another crossing this year.

Featured Garden Tractor- Case

Case garden tractors came into existence in 1965, after the purchase of Colt Garden Tractors/Colt Equipment in late 1964. Production began with the 1965 Case 130 and 180. Both were powered with the reliable Kohler K-Series engine with 10 and 12 HP respectively. The Colt tractors remained in production through 1965 and 1966 but the decision to stop producing Colts came in the summer of 1966. In late 1983, Case sold their garden tractor division to Jack Ingersoll, and the former Outdoor Power Equipment Division of Case in Winneconne, Wisconsin became Ingersoll Tractor Company. Initially, the badging on the tractors remained predominantly CASE during the transition period, but the Ingersoll brand became more and more prevalent during 1985 and 1986. By 1987, the Case name was permanently gone.

Interview with Lanny Withey

Lanny Withey has been a collector of Case garden tractors for many years. He was raised on his family farm, and after high school graduation in 1980, and working for 1 1/2 years at Bollingers, started farming the farm with his brother. They milked up to 90 head and raised beans and corn, using the farm tractors. Lanny bought his first Case 446 garden tractor in 2000. In 2004, he started working for Tri-County Electric and delivers propane. He figures he has owned more than 25 Case garden tractors, including an Ingersoll, 2 cubs, a Panzer and a Jacobson. He and his wife, Monica, still live on the family farm. He gardens with his Case 446, and has a rare Case 107, which was made only one year. Lanny enjoys displaying his garden tractors at tractor shows and belonging to the Old Iron Antique Tractor Club. A sample of his Case garden tractors are above.

Featured Engine: Michigan Built Engines

Hit and Miss and throttle governed engines are a type of internal combustion engine that is controlled by a governor to only fire at a set speed. These engines were conceived in the late 19th century and produced by various companies from 1900s through approximately the 1940s.

Michigan built engines were chosen to be featured at the 2021 show. A few engine names were obtained along with where in Michigan they were made. This is by no means "all" Michigan built engines.

Lansing: Acme, Ideal, New Way, Novo, Olds & United

Alma: McVicker

Greenville: Moore

Detroit: Carson, Gray

Hillsdale: Alamo

Ionia: Arnold

Jackson: Jackson

Lyons: Lyons

Pontiac: Pontiac

Saginaw: Nelson Bros

Some of the many usages of Hit & Miss Engines were:

- pumping water - sawing wood - grinding feed - shelling corn -
washing clothes - separating cream - running grindstones -
churning butter - generating electric - operating line shafts
which in turn could run multiple machines at the same time.

What is an arbor?

An arbor is a Gleaner service club that gives back to its community through projects and donations funded by Gleaner Life. As a member owned not-for-profit organization, arbors also provide members with a voice in how Gleaner does it's business.

Who can join an arbor?

Arbors consist of individuals who have joined Gleaner as either a benefit or social member. Members are not required to participate with an arbor but are encouraged to do so.

Support your local
community with
Entrican Arbor!

Gleaner
Life Insurance Society

In 2017-18 Entrican Arbor reported 1075 hours of volunteer service and donated \$5,376 to individuals and organizations in their community. Entrican Arbor continues to assist those in need and is always looking for new members to join their efforts.

For meeting dates and to see how you can get involved, contact: Vickie Riley barney.tessa@yahoo.com or (616) 302-6812.

In Memory

Ed Ehle Sr

Edward M. Ehle, Sr., age 92 of Sidney, passed away on September 12, 2020. Ed was a truck driver for 42 years and when he wasn't hauling products you could find him working on his farm where he raised cash crops, cattle, and his haflinger draft horses. Ed really liked going to the Upper Peninsula and was proud that he was able to drive his tractor over the Mackinaw Bridge to the UP 10 times. He was an avid collector of antique tractors, he loved his Massey Harris tractors, going to tractor shows and was a member of the Old Iron Tractor Club.

Sandy Smith

Sandra Lee (Austin) Smith, age 82, of Entrican, passed away on November 4, 2020. She was born in Tustin on April 16, 1938. Sandra was raised in the Stanton area and attended Stanton Public Schools. Sandra married Carl Smith on July 10, 1954. She was employed by Electrolux in Greenville for 12 years before her retirement in 2000. She enjoyed camping, fishing and traveling. She loved making candy and baked goods, especially when giving them away.

Raymond Hansen

Raymond E. Hansen, age 85, of McBride, passed away on September 2, 2020. Ray was born on July 4, 1935. On October 27, 1956, Ray married Harriett Sigsby. Ray proudly served his country in the United States Navy from 1956 – 1957. He retired as a Foreman from Hitachi in 1991 after working there for 26 years. He was a member of the Old Iron Tractor Club and loved his antique tractors. Ray also liked camping, wood carving, and visiting with people. For 25 years, he and Harriett enjoyed going to Florida in the winter.

Poorman Pullers Garden Tractor Pulls

The Poorman Pullers have been around for 20+ years. Most of those years the club pulled strictly motorcycle powered tractors. In the past, the club had three garden tractor classes and two 4-cylinder engine classes, one of which put motorcycle engines vs car engines. Now, the club pulls only garden tractors. There are five classes. Stock; Sport Stock; Stock Altered; Big Stock; and Factory V-twin. They pull on their home track in Harvard, and other festivals or shows. The club strives to provide a fun and fair pulling experience for all their members, as well as any visitors that come to pull with them. This will be the third year the Poorman Pullers will be at our show. Come to see some great garden tractor pulling action on Saturday, July 24, from 5-8 pm.

Farm & Flea Market

Come check out our Farmers Market and Farm Related Flea Market Friday and Saturday. The market will feature produce as well as handmade items, tools, and antiques.

Vendors of quality merchandise are invited to participate in our Farm and Flea Market. Vendors of farm related items will be given priority status. Space is limited. **Vendors must pre-register by July 15, 2021. For more information, contact Nicole Hadley by phone or text (989) 304-6267.**

Parade Through McBride

On Friday night July 23rd we will be having a parade through the village of McBride. We will line up between 5-6pm (at the south end of the field of tractors) and the parade will start at 6:45pm. The theme for the parade will be "Down On The Farm". Anyone can join us so please get creative and decorate your tractor, bike, golf cart, or anything you can drive or ride on. For more information contact Mary Baker (989) 506-0705.

Safety

Any tractors or engines that are running shall not be left unattended.

There shall be no more than two (2) persons on one tractor that is moving at one time. No fender's mean no riders.

All belted equipment must have a safety rope or tape around it when in operation.

Anyone driving a tractor, or any powered equipment must be on the equipment in a position as to be in full control of the vehicle.

Mower decks must be removed, or blade belts detached on all displays. Parents are fully responsible for their children.

Speed Limit shall not exceed 5 miles per hour on grounds for all vehicles.

No alcohol allowed on grounds during show time.

No person intoxicated, or under the influence of drugs or alcohol, shall be allowed to operate any equipment, or be close to any equipment in operation.

Drivers must be at least 16, have valid driver's license, and proof of insurance for golf carts, UTVs and similar types of vehicles to enter our grounds.

Bicycles, mopeds, go-carts, unauthorized people movers, unauthorized ATVs, UTVs, RTVs, and side by sides are not allowed on grounds or in the campground.

1. Minimum age limit of thirteen (13) years for operating a tractor, unless the child is accompanied by an adult or parent.
2. People movers require a seat for each passenger.
3. All vehicles operating after dark must have and use proper lighting.
4. No glass containers allowed in display area.

Blacksmith Shop

Jump back in time and experience blacksmithing as it was done in the “good old days”. Our blacksmith will answer questions you may have about the skills and will be doing demonstrations throughout the day on Saturday at our show. You'll have to visit him to see what he is making. Pick up a shingle from the shingle mill and have him brand it.

Shingle Mill

Before asphalt and steel roofing, wooden shingles were widely used on various buildings. A tractor and belt-driven portable shingle mill will be demonstrated, making souvenir shingles. Shingles will be branded by the adjoining blacksmith, creating a souvenir show shingle.

Tractor Games

Have you ever watched a tractor, or a garden tractor carry a golf ball on a spoon over an obstacle course? Hoola Hoop toss? Play Cornhole? No?!! Well, you are in for a treat and a really fun and laughter-filled time. Our antique tractor and garden tractors will be competing in these and other tractor games on Saturday. Join us and cheer on our drivers. Have a tractor here on display? You can compete too!

3045 Derby Rd• Downtown Sidney!

All Welcome!

Do you have a tractor or garden tractor you would like to share with us? Maybe a Hit & Miss Engine? You don't have to be a member of Old Iron to join our show. Bring them on Thursday or Friday. Tractors of all makes and models are welcome. They can be all shiny and clean, or even in their field clothes! Registration will be at the Information Tent at the east part of the Park, alongside the driveway, on Thursday and Friday. Parking and unloading areas for tractor trailers are available onsite. This year the featured tractor is the Minneapolis Moline. The featured garden tractor is Case. Michigan made Hit & Miss Engines are featured this year. If you own one (or more) you are welcome to join the featured tractor display at our show. We are looking forward to seeing the young and old here at the 6th annual Old Iron Antique Tractor Show.

Special Tribute

Johnny McCarthy

The Old Iron family would like to pay tribute to a young man that we had the pleasure to know. He would always be in line to ride one of the John Deere mini-tractors in the Pedal Pull. And he always did a great job, getting many full pulls! Johnathan "Jonny" Earl McCarthy, age 8, the son of Michael and Kristine (Newman) McCarthy of Edmore, passed away unexpectedly on Monday, April 12, 2021 at his home. Jonny was a third grader at Montabella Community Schools. He loved watching cartoons, music-especially "You Are My Sunshine" and "God's Country" by Blake Shelton, nature, going for walks, hunting, fishing, combines, trucks, and tractors. If it had a steering wheel, he wanted to drive it. He had a strong love of all things John Deere and riding in local parades with his grandpa, Roger McCarthy. Jonny was smart and had a special ability to remember things, like how to put his bike back together after he had torn it apart. He loved the US military and wanted to serve his country one day. He was a member of the Greasy Fingers 2-cylinder Tractor Club. Jonny was an extraordinary young man and will be missed by everyone whose lives he touched.

Family Fun and Road Trips

The Old Iron Antique Tractor Club is very family oriented. All our activities include family members. During the year, adults, young adults, and children participate in the tractor shows, parades, tractor games, and pedal pulls. Our club also enjoys several road trips during our year. We would love to include your family. Come to visit our tractor shows and consider joining the Old Iron Antique Tractor Club for great family fun. See page 51 for information about joining, including a membership form.

Annual Mackinac Bridge Crossing

Saturday, September 11, 2021

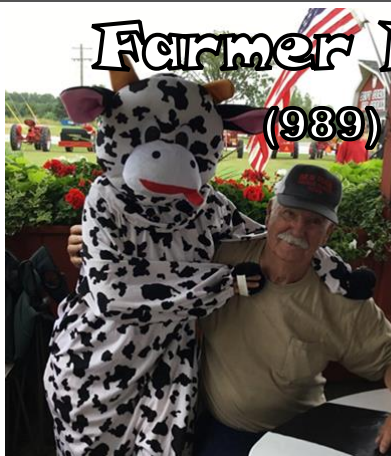

The antique tractor drive across the Mackinac Bridge (Mighty Mac) was started by Bob Baumgras of Owosso Tractor Parts in 2007. The first crossing was in September 2008. The first event featured 614 tractors. In 2015, 1091 tractors participated. In 2019 the total was 1,168 tractors. The weekend features the Bridge parade, tractor staging in St. Ignace, tractor games, food, merchandise, downtown St. Ignace tractor parade, music, and lots of conversations with fellow tractor families. For a complete schedule, go to: www.mackinacbridgecrossing.com.

The Mackinac Bridge is a five-mile span over the Straits of Mackinac that connect Michigan's Upper and Lower Peninsulas. It opened for travel on November 1, 1957. The antique tractor drive starts off in Mackinaw City, Michigan, and travels over the bridge on and through St. Ignace, Michigan. Tractors are staged on the Mackinaw City side to begin the parade, and at the end of the event are staged at downtown St. Ignace.

Want to join our Club?

Would you like to join our club? Any antique tractor or garden tractor owner is welcome. Membership is \$25 a year. A membership includes all family members up to 18 years of age. Club members receive a monthly newsletter. You can join at a meeting, or mail in your dues along with the attached form. If you have any questions, contact President Mary Baker. Members are not required to attend all activities; however, there are many to choose from: tractor shows, parades, tractor rides, potlucks, and camping. Meetings are held monthly, the third Wednesday, in McBride at the Park.

Special Thanks

The Old Iron Antique Tractor Club would like to offer a special thank you to ***Vickery Agency- Farm Bureau Insurance***, for their long-time sponsorship of our club and continued support in the creation of our annual show booklet.

Vickery Agency now has two locations to better serve our clients.

Stanton: 994 N Sheridan Rd, Stanton, MI 48888.

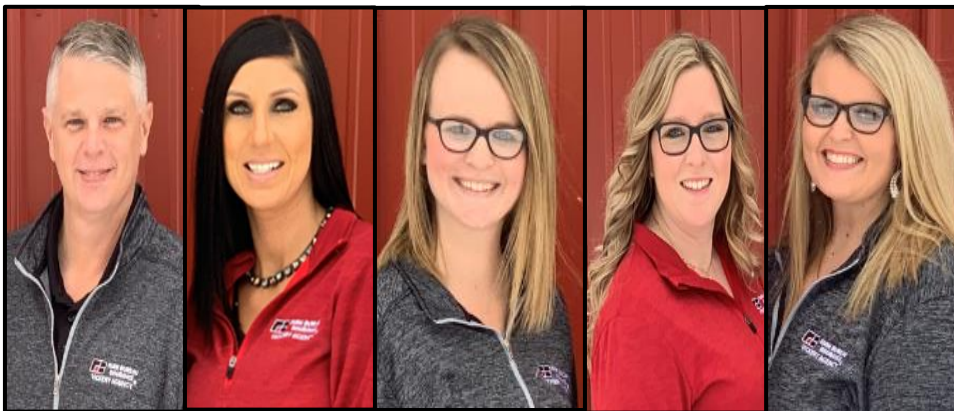

Mt Pleasant: 1635 E Broomfield St, Ste I, Mt Pleasant, MI 48858

Agent, Charlie Vickery, has over 23 years of claim and agent experience. He is supported by office administrator, Ryah Shaw and customer services representatives Lauren Jensen, Jordann Coon, Chelsea Jankowsky, and Alisha Wonsey.

Vickery Agency takes pride in making sure the client is protected accurately in the most effective way possible.

Overall Farm Bureau Insurance protects more square miles of Michigan than any other company, and they would love to help protect your piece of Michigan, too! We specialize in Farm, Commercial, Home, Auto, Life insurance and Annuities.

Stop into their office or give them a call for a full review of your insurance needs. **(989) 831-4790 or cvickery@fbinsmi.com**

Outstanding Service & Dedicated Employees

It is the goal of every MAC employee to make customer service a leading priority. We understand that outstanding service is a foundation of good business. We will never take any business for granted and will continue to earn your trust every day.
